Subject index

academic profession
– internationalisation of 323
academic research – teaching nexus 397
academic staff
– job satisfaction 305
– an international perspective 305
– employment 347
– working conditions 347
– in comparative perspectives 347
academic work
– international study 373
– gendered nature of 373
– cross-cultural explorations 373
accredited training
– for research awards supervisors 483
– a case study 483
– through reflective practice 483
Australia 45

Cambodia 1
curriculum innovation
– in engineering education 105

entrance examination system
– self-activating 183
– hidden agenda 183
– correspondence with "salary man" 183
evaluation of teaching 23

financing higher education 1

gender segregation
– in Australia 45
– in higher educational attainment 45
graduate education
– Japanese 237
– problems 237

higher education
– and employment 199
– women in 215
– gender segregation in 45
– in engineering 105
higher educational attainment
– in Australia 1978–94 45
– gender segregation in 45

international organisations
– financing of higher education 1
– in Cambodia 1

Japan 125
Japan's higher education system
– structural changes in 125
– planning to market model 125
Japanese higher education
– policy issue 141
– efficiency and equity 165
– internationalization of 259
– in the 1980's and early 1990's 259
– view from the outside 275

power relations
– in higher education 63
– in Australia 63
professoriate, the 299

research awards
– accredited training form 483
– a case study 483
research function
– of universities 245
– in Japan 245
research supervision 81

Sri Lanka 437
supervisor dependency factor 81
supervision
– style and quality 81
– in research supervision 81
– supervisor dependency factor 81

teachers' craft knowledge
– in engineering education 105
teaching appraisal
– in higher education 459
– an Australian perspective 459
teaching in higher education 23

university administration
– *in Japan 141*
– structure of 141
university admissions
– in Sri Lanka 437
